Venue: Room D1 Boardwalk Conference Centre.
Date & Time: Sunday 9 July, 15h00 to 17h.
Program with informal and scientific parts. Highlight is the Meet the Expert session, during which three experts will share their visions on "Predictions under change in ungauged basins". After 10-15 min presentations, the floor will be opened for an interactive discussion. Confirmed speakers: Hubert Savenije, Berit Arheimer, Thomas Skaugen

During the main conference:

Event: **Network of national Hydrological Associations** – General Assembly (by invitation only; contact Geneviève Ali: Genevieve.Ali@umanitoba.ca).
Venue: Room D1 Boardwalk Conference Centre.
Date & Time: Monday 10 July, 12h40 to 13h40 (lunchtime meeting).

Event: **Network of national Hydrological Associations – Public round table on Lobbying for hydrologic science** (chaired by Geneviève Ali)
Venue: Room D1 Boardwalk Conference Centre.
Date & Time: Monday 10 July, 17h45 to 19h00 (evening meeting).
The meeting will take the form of a roundtable discussion led by representatives from the Network of National Hydrological Associations (NHAs). The purpose will be to share experiences regarding how to make the general public and funding agencies aware of the importance of hydrology, and therefore "lobby" for increased financial and logistical support for hydrological research.

Event: **How to write a paper, and get it published** (Early career event)
(contact Tim van Emmerick: T.H.M.vanEmmerik@tudelft.nl).
Venue: Room Boardwalk Conference Centre.
Date & Time: Monday 10 July, 17h45 to 19h00 (evening meeting).
This short course will shortly recall some basic aspects of paper writing (in terms e.g. of content, form and readership) and give practical tips of how to get started, how

to respond to reviewers' comments, how to "negotiate" the author list, and how to select a journal. Confirmed speakers: Dominic Mazvimavi, Graham Jewitt
